

# <HelloWorld/> Coding Club

Give your kids an edge for life –  
Teach them to code!

- Now in our 11<sup>th</sup> year! New session starts Sept. 27, 2025
- Small, in-person classes for kids ages 11-14
- Classes meet on Saturdays 10:00 am – 12:00 pm
- Real-world development tools (Visual Studio / C#)
- Taught by a veteran software developer
- Our graduates are STEM majors at elite universities!
